**Uniting All Workers
for a NEW:**

- **Campaigning**
- **Independent**

Trade Union Federation

Workers and Unemployed Unite!
Fight the Jobs Bloodbath

Calling All Workers, the Unemployed, Concerned Community Members!

Calling all workers, whether employed, unemployed, pensioners, casualised, part-time or under a labour broker. Calling all those in our communities who are tired of waiting for jobs and service delivery. You are welcome to attend our May Day celebrations detailed overleaf.

This is a May Day celebration with a difference. Firstly it is a bold step towards building a new Trade Union Federation. One that is not compromised or paralysed by being linked to any political party! One that is **INDEPENDENT!** One that is **MILITANT**, and is prepared to **FIGHT FOR WORKERS RIGHTS** and **POOR COMMUNITIES!** One that is **DEMOCRATIC** and controlled by its members!

Secondly, we will also be launching at this historic May Day celebration a Decent Jobs Now Campaign. We want to make it a priority that the Government and the Employers make employment the number one priority to tackle poverty, unemployment and inequality. We also want to see an end to corruption in Government and Business that steals money away from the people into the hands of those who are already wealthy!

Down with exploitation. Down with an economic policy and system that benefits the rich and makes the poor poorer. Forward to a New Trade Union Federation! Forward to the Decent Jobs Campaign!
